Cedar Catholic School Board,

Thank you for the opportunity to serve as your principal and president for the past three years. I have greatly valued both the responsibilities of the position and the relationships I have built with the students and staff at Cedar Catholic. However, I believe it is in the best interest of Cedar Catholic and Cedar County Catholic Schools that I resign this position at the end of the 2025–2026 contract year.

After visiting with Superintendent Kauffold, I believe my resignation at this time is necessary to allow you to pursue new leadership in furthering the goals outlined for Cedar Catholic Jr.-Sr. High School. I also believe that the board restructure, the creation and implementation of the lay president position, and the adoption of the strategic plans provide a solid foundation and a clear focus for the growth and development of Cedar County Catholic Schools.

I continue to be in awe of the commitment and generosity of the many parents and supporters of Catholic education in Cedar County. Our work to develop and implement a strategic plan, with input from over 200 parish representatives, demonstrates our shared effort to give parents and patrons a greater voice in shaping the mission of Cedar Catholic and the Development Office in support of Catholic education in Cedar County.

Thank you to the many people who dedicated their time and energy to offer input and help focus our work. I look forward to leading a talented and committed staff in the school, the Development Office, and the Board of Education this year as we continue to build a strong future for Catholic schools in Cedar County.

I wish you the very best, and I thank you once again for the opportunity to reconnect with and be part of this special community.

Sincerely,

Dr. Dan Hoelsing
